Metric	Value
Total Profiles	5
Average Confidence	71.1%

Profiles (5)

#	Sentence	Subject	Object	Modality	Condition
1	A "Secondary Section" is a named appendix or a front-matter section of the Document that deals exclusively with the relationship of the publishers or authors of the Document to the Document's overall subject (or to related matters) and contains nothing that could fall directly within that overall subject. (Thus, if the Document is in part a textbook of mathematics, a Secondary Section may not explain	Document	explain	may not	the Document is in part a textbook of mathematics
2	The "Invariant Sections" are certain Secondary Sections whose titles are designated, as being those of Invariant Sections, in the notice that says that the Document is released under this License. If a section does not fit the above definition of Secondary then it is not allowed to be designated as Invariant. The Document may contain zero	it	contain zero	may	a section does not fit the above definition of Secondary then it is not allowed to be designated as Invariant
3	copying of the copies you make or distribute. However, you may accept compensation in exchange for copies. If you distribute a large enough number of copies you must also follow the conditions in section 3.	you	or distribute	may	you distribute a large enough number of copies you must also follow the conditions in section 3
4	If you use the latter option, you must take reasonably prudent steps, when you begin distribution of Opaque copies in quantity, to ensure that this Transparent copy will remain thus accessible at the stated	you	take reasonably prudent steps	must	you use the latter option

5	Front-Cover Text and one of Back-Cover Text may be added by (or through arrangements made by) any one entity. If the Document already includes a cover text for the same cover, previously added by you or by arrangement made by the same entity you are acting on behalf of, you may not add another; but you may replace the old one, on explicit	one	add another	may	the Document already includes a cover text for the same cover
